Dear Penny, or whoever:

Enclosed is a completed application from Andy Goodman. I've talked with him here and feel that he ought to be accepted.

He is a white student with some political sophistication and knowledge about the state, is particularly interested in voter registration work and the political campaigns.

We've gotten the mechanism for interviewing all set up now, I guess. Norma Becker will handle the teaching staff, along with myself, and there are a half-dozen other people prepared to do interviews.

Peace,

Jim Monson's
