

HOUSE OF REPRESENTATIVES
WASHINGTON, D. C.

OGDEN R. REID
TWENTY-SIXTH DISTRICT
NEW YORK

August 14 1964

Dear Mr. & Mrs. Goodman -

You were most thoughtful to send me a copy of your moving statement on Andy's death.

I too have felt a sense of personal loss - which I am sure has been shared by Americans across the country.

His principles & commitment in action should re-inspire all of us the living - to help insure that the right for which he fought will become a true reality for all.

Mrs. Reid joins me in extending
our deepest sympathy—

Sincerely yours—

Ed Reid
