Dear Mr. & Mrs. Goodman,

I am certain that you are aware that millions of people were with you in spirit at the unveiling of Andys' monument this week, just as surely as the hundreds who were there in person.

The issues and principles for which he, Mickey and James lived and died are of concern not only to Americans, but to people all over the world. Indeed, if civilization is to survive, justice and tolerance must triumph over the injustices and bigotries which have plagued mankind for too long.

I am enclosing a recording and sheet music of a song which I recently wrote called "Brotherhood" which I thought you would like to hear.

Yours sincerely,

A handwritten signature in blue ink that reads "Jack Solarsh". The signature is written in a cursive, flowing style with a large initial "J".
