FREEDOM'S SPRING
(To parents of Michael
Schwerner, James Chaney
and Andrew Goodman.)

No word of comfort can I find
Silence, deep as ocean's floor
Now rules my mind —
Yet — as before —
When pain subsides —
And mind and heart
That silence break —

I ask you now to take
These words of deep avowal:
Until time runs out
That Freedom's Spring —
Your sons'
Untimely dying
Has revealed —
Will know no draught!
For we shall send
We swear —
Its healing power
To those in anguish
Everywhere!
